powering the dynamic workforce

SIRENUM FOR COVID-19 STAFF MANAGEMENT

Sirenum gets the right person to the right place at the right time

Sirenum maximises coverage while minimising staff fatigue

About Sirenum

Sirenum was founded in 2013 and quickly won the trust of employers like Manpower, Randstad, the Scottish Government, National Grid, the Tourism Association for Orlando, and Great Western Railways.

Sirenum services over 350,000 users on six continents—from South Africa to Norway, from Hong Kong to California

Sirenum specializes in high compliance employment environments such as healthcare, railway companies, schools, etc.

Sirenum is the leading solution for the dynamic workforce, where demand for staff or supply of staff are unpredictable.

The COVID-19 staff challenge for hospitals

Patient demand and staff availability are more unpredictable than ever

Hospitals need to maintain separation between COVID-specific wards and regular wards

Communications channels between administration and staff are strained in a time of crisis

Staff are fatigued, which increases the likelihood of infection
