Reseller Product Catalog: Product Name	Pricing Type	Currency	PNR %	Fixed	Per User of the Solution / Per Month Floor Price	Product Description	Product Special Terms (Applicable to Reseller and Reseller Customer)
((sirenum)) Force.com Embedded User Subscription	PNR	GBP	25.00		2.00	This product can be resold by Reseller and used by Reseller Customer solely in combination with the ((sirenum)) Reseller Application.	Embedded Edition cannot be provisioned without at least one Embedded Admin User subscription purchased from Reseller per Reseller Customer Org. SFDC may audit use of this User subscription through the SFDC Service. Should any audit reveal any unauthorized use of this User subscription, Reseller agrees to pay to SFDC, within thirty (30) days of SFDCs notice of the audit results the difference between the price charged by SFDC to Reseller for the applicable User subscription and SFDCs then-current list price for the full-use version of the User subscription for all of the User subscriptions in the same Org showing unauthorized use (taken as a group), beginning with the date of the first violation through the end of the then current subscription term (the "Prohibited Use Penalty"). Upon payment of the Prohibited Use Penalty, all User subscriptions showing unauthorized use will be converted into full-use subscriptions at SFDCs then-current list pricing for such full-use subscriptions for the remainder of the then current subscription term or subsequent terms during the Term of the Agreement.
((sirenum)) Force.com Embedded Admin User Subscription	PNR	GBP	25.00		2.00	This product can be resold by Reseller and used by Reseller Customer solely in combination with the ((sirenum)) Reseller Application.	An Admin User subscription is required per Reseller Customer Org and should be included in all initial Service Orders. 1 Admin User subscription should be ordered for every 50 User subscriptions. If more than one (1) Admin User subscription is required, additional Admin User subscriptions are available for purchase. Reseller agrees (i) to advise Reseller Customers of the following restrictions and/or permissions, which are contractual in nature (i.e., the functionality itself has not been disabled as a technical matter in the OEM Services) and (ii) to be responsible for enforcing such restrictions: Admin User subscriptions may be used by the applicable Reseller Customer User only to configure and administer the OEM Services in support of such Reseller Customer's use of the Combined Solution. An Admin User subscription may not be used to access, distribute, or use any CRM functionality. CRM functionality is defined as access to CRM standard objects through standard tabs, related lists in custom tabs, through the SFDC web services API or through reports and dashboards. CRM standard objects include campaigns, leads, opportunities, cases, solutions and forecasts. SFDC may audit use of this User subscription through the SFDC Service. Should any audit reveal any unauthorized use of this User subscription, Reseller agrees to pay to SFDC, within thirty (30) days of SFDCs notice of the audit results the difference between the price charged by SFDC to Reseller for the applicable User subscription and SFDCs then-current list price for the full-use version of the User subscription for all of the User subscriptions in the same Org showing unauthorized use (taken as a group), beginning with the date of the first violation through the end of the then current subscription term (the "Prohibited Use Penalty"). Upon payment of the Prohibited Use Penalty, all User subscriptions showing unauthorized use will be converted into full-use subscriptions at SFDCs then-current list pricing for such full-use subscriptions for the remainder of the then current subscription term or subsequent terms during the Term of the Agreement.

((sirenum)) Force.com Embedded Edition Fee Increase	PNR	GBP	25.00		0.00	This is a Fee Increase Billing Product for ((sirenum))	If, after SFDC has accepted a Service Order for a subscription to the ((sirenum)) product, Reseller raises the selling price of the Combined Solution such that the Reported Subscription Fee is less than the actual selling price per User per month of the Combined Solution to the applicable Reseller Customer (such difference, the "Fee Increase"), Reseller shall submit an add-on Service Order to SFDC for this product for each User subscription to the Combined Solution for which there has been a Fee Increase. The term of such add-on Service Order shall be co-terminous with the pre-existing Service Order and such add-on Service Order shall automatically renew with the pre-existing Service Order as set forth in the Agreement. SFDC will not provision any additional subscriptions to Reseller or to Reseller Customer upon acceptance of an add-on Service Order for this product. For clarity, in no event shall the fees due to SFDC be decreased. As used herein, "Reported Subscription Fee" means the per User/month pricing for the Combined Solution, as set forth "in the Provisioning Information provided by Reseller in the most recent Service Order for the applicable Reseller Customer.
